

Lion Club Weekly Newsletter

November 2nd-6th

Hello Lion Club Families!

Welcome to November and the first edition of our weekly newsletter!

This week, we have **Market Day on Wednesday 11/4**. The kids are making things at LC to sell to each other and earning tickets to spend on our prize magazine. **Make sure your kiddos are not bringing personal items to sell!**

This includes toys, Pokémon cards, slime, etc. Thank you!

This Thursday is the monthly supply pick up day. I will pick up supplies for all Lion Clubbers unless I receive an email from you saying not to, so **please let me know if you do NOT want me to pick up your child's supplies!**

Picture of the Week

We had our Halloween costume day on Wednesday! Kids were thrilled to dress up on the same day as our practice Market Day. Giada and Evelyn ran a stand selling mini Perler bead projects and Giada's Pokémon drawings. I can't wait to see what Lion Clubbers create next week. Check the blog for more photos!
