

Lion Club Weekly Newsletter

November 9th-13th

Hello Lion Club Families!

Last week we enjoyed getting to know our new part-time Lion Clubbers and got settled in to having 3 classrooms again. We are now using the Music Room as a classroom since our numbers have grown.

Our official market day was on Wednesday. We saw so many creative shops, from selling amazing Perler bead creations to a spinning wheel of prizes, and even a Kahoot quiz made by Braden!

Remember, there is no Lion Club this Wednesday in observance of Veteran's Day.

One of the products sold at market day was slime-filled stress balls. Unfortunately, if the ball was used for its intended purpose, it popped– as Sophia experienced. At least the slime had shaving cream in it so it smelled nice!
