

# Lion Club Weekly Newsletter

December 14-18

## Hello Newcastle Families!

2020 has been a year full of growing pains and learning opportunities. I know I say this a lot, but I am so proud of our students for their perseverance through the first 3 months of school. They amaze me every day with their ability to show up and participate in this difficult educational environment.

By the end of this week, we will have completed 74 days of school. That's 74 full days of Lion Club! Our students have spent a lot of time together in the past 3 months; this break will be a good time to reset, both academically and socially/emotionally.

I wish you all a wonderful holiday and we will see each other again in 2021!

### Coming Up

**Monday 12/21– Friday 1/1**

Winter Break  
Lion Club Closed

### Picture of the Week

Sometimes the most simple activities end up being crowd favorites. The kids were disappointed when they found out my gingerbread people were felt and not cookie, but they quickly recovered and almost every student decorated a gingerbread person! Each one turned out as creative and unique as the student who made it.

## This Week's Activities
