

Lion Club Weekly Newsletter

February 1-5

Hi Lion Club Families!

This week at Lion Club, we are making one of the biggest changes we've made this year. After much discussion with other BASC programs and changes to the spaces we can use due to the returning kindergarten and first graders, K-3rd grade Lion Clubbers will begin working out of the MPR on Monday, 2/1. This move provides more adult support for our younger students and I am very excited for it!

It is imperative that ALL students have headphones. Headphones are necessary to cut down on distractions and our spare pairs are limited. If you are having trouble getting headphones, please let me know.

Coming Up

Tuesday, 2/2

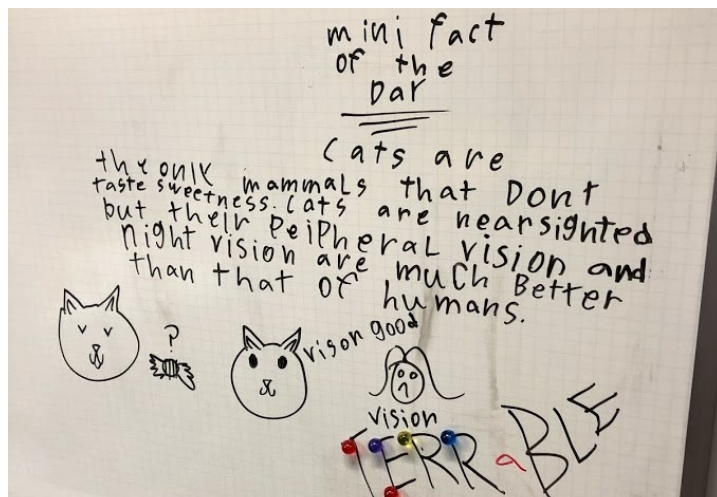

Supply pick up– Let me know if you **do not** want me to get your supplies!

Monday, 2/16

Presidents' Day, Lion Club Closed

Tuesday, 2/17—Friday, 2/20

Second Winter Break, Lion Club Closed

Picture of the Week

Miss Alison writes a fun fact of the day each day in room 166. A student shared this fun mini-fact next to hers! We will have white board space in the MPR so the fun fact of the day tradition can continue.
