## What is the Before and After School Care program?

The B.A.S.C. program provides a fun, safe, engaging experience before and after school for more than 2000 students in the Issaquah School District.

The School Age Care program is an exciting before and after school program for elementary students, grades K-5. We offer unique enrichment opportunities and specialty activities (Lego Masters, Cooking Club, Minute 2 Win It, etc.) that embody what it means to be a child. Each day children are encouraged to try something new, make friends, and have fun.

!MPACT is a dynamic after school program designed specifically for middle school students. Every day is full of exciting opportunities including; large group games, cooking, tournaments (ping-pong, video games, etc.), and much more!
